WELDON AWARDS

Each year since 1929 the Weldon Fair Play Awards have honored six seniors who have consistently shown the qualities of courtesy, responsibility, independence, good sportsmanship, and democratic leadership in all school activities. The winners receive certificates and gold pins, and their names are engraved on the Fair Play Cup, given to the school by Mr. W. R. H. Weldon and perpetuated by his sons since his death. A committee of faculty and students makes the selections for these awards which are among the school's highest honors. The commissioners declare themselves ineligible.

SENIOR PERSONALITIES

Tom Reece
President

Senior People — the class of '60! Ours was a class that made itself known in many ways. We were known for our size: we were the largest South Pasadena class in the high school's history. We were known for our scholastic ability: many of our members were honored for their achievements. We were known for our athletic prowess: our class led the first CIF Football Championship team in Espee's history. We were known for our Senior Play, "You Can't Take It With You," and for the fun we had producing it. We were known for our activity spirit: we took first place in both ASB sales and the Christmas Booth Contest. We were known for our Prom and for the third Grad Nite Party, held for us in San Diego. Yes, in our three years together as a class, we learned a great deal, did lots of things, had many good times — and we were known for it.

SENIOR

A humorous and exciting comedy, "You Can't Take It With You," was presented by this year's Senior Class to the school and the community. The story portrayed the everyday life of a very untypical family.

Rheba (M. Boone) and Penny (B. Kennan) prepare the table for dinner.

S. Bissonnette applies make-up to Mrs. Kirby (P. Martin).

Alice (K. Archer), surprised by her future in-laws' appearance, tries to arrange a suitable dinner for them.

The cast dinner means food, but it also means that the production is but one night away, and there's still work to be done.

PLAY

The entire cast, directed by Mr. Russell Doughten and Aimee Dorr, spent many hours preparing the fine production. There was great excitement and apprehension when March 11 and 12 finally came, but all's well that ends well, and the play was a big success.

Kay Archer, as Alice Sycamore, and Tom Holm, as Tony Kirby, play the romantic leads in the play.

Everyone is stunned by the Kirbys' day-early visit.

The entire cast of "You Can't Take It With You" assembles for the final curtain call. Left to right: B. Llamas, T. Misterly, G. Stoney, N. Grotegut, P. Tripodes, S. Borek, D. Randall, T. Holm, K. Archer, M. Durfee, B. Kennan, R. Tubbesing, N. Winslow, B. Hutton, P. Martin, G. Spehar, M. Boone, N. Hamlin, J. Kisling.

What were the Juniors? In 1960, they were the middle-men, past being at the bottom, but not yet at the top. The year was a busy one for the Juniors, as they earned third place in both the ASB sales and the Christmas booth contest. Later in their year came the announcements of those people who might go abroad with the American Field Service. Finally, the excitement of campaign week was experienced as the entire student body chose the coming year's leaders from the Junior Class. The Class of 61's last task was to sponsor the successful, year-ending Junior-Senior Prom. In this activity, as in all others, they were well led by their capable officers and adviser.

SHELF PERCHERS

Bob Corteway
President

The sophomore class spent a busy year trying to keep up with the upper classes. In some ways they almost outdid them (signs for competitive yells, yet!), but they placed second in both the ASB sale and the Christmas Booth competition. Choosing their rings and decorating for graduation completed their first year at Espee.

PEP ASSOCIATION

Go team, fight team, let's win! The 1959-60 Pep Association indeed did lead our spirited student body to victory. Football season, climaxed by the CIF Championship, encompassed the entire first semester. Beatnik poetry, song boy routines, and Tom Otto's Terror — that unforgettable highlight of Color Day — filled the year with spirit to be remembered.

And the band played on . . . and as the marches sounded, Tiger fans burst with pride. The growth of the Espee band was unbelievable, expanding from a scarce eighteen members to a spirited thirty-five members. As the football season concluded, Mr.

Kirkpatrick transformed the group into a praise-worthy concert band. An "Excellent" rating at the P.C.C. District Music Competition and a talented presentation at the first P.T.A. Music Festival were unforgettable accomplishments of the 1959-60 Tiger Band.

TIGERETTES

Oh, when the saints go marching in . . . saints, modern style, clothed in new white uniforms and pin-wheel skirts and shaking pom-poms. The 1959-60 Tigerettes were the pride of Espee as they participated in Color Day, the Santa Claus Parade, and

Alhambra's Hi-Neighbor Parade. Even the foggy hours of dawn will remember Betsy Warner, Gretchen Martin, and Mrs. Weisinger leading the forty-five weary Tigerettes to the perfection that will long be remembered and praised.

Too many cooks spoil the broth . . . this quotation, familiar to all, fortunately did not typify the 1960 Copa de Oro staff. The industrious twelve editors, maintaining official headquarters in the room of their enthusiastic adviser, Mr. Phippin, were seen through-out the campus busily completing their sections. Deadlines were the impasses — yet, deadlines were met. Finally, at 3:15, April 13, 1960, the word was uttered; the Copa was completed. Through the work of Editor Pat Vickrey and each member of the staff, and through diligent labor by the photography crew, the Copa de Oro of 1960 is presented to you.

TIGER

Deadlines must be met . . . a byword of newspapers the world over. Thus the Tiger Staff of South Pasadena maintained the proud tradition of the school newspaper, once again offering a stimulant to the tremendous school spirit. Deadlines continued to flourish; yet these obligations were fulfilled with exactness and enthusiasm.

STAFF

Under the dynamic leadership of Editor Mike Smith, the Tiger Staff struggled to meet the publication date while the eager students impatiently anticipated the release of the weekly news. The news was current; action-packed photographs supplemented features; new personalities were recognized. 1959-1960 was truly a year of accomplishment for the hardworking Tiger Staff.

BENGALS

Service, with a smile . . . with this in mind the Bengals, clothed in blue sweaters, have aided the Tiger student body. The club initiated a new tradition by distinguishing the AFS students as honorary Bengals. The Bengals Blues, the 1960 Bengal Dance, was highlighted by Bill Hutton's band and the singing talents of Durfee's gang. Donuts and punch revealed the secret to financial success at the Senior Play, furnishing the money for the annual Bengal Scholarship.

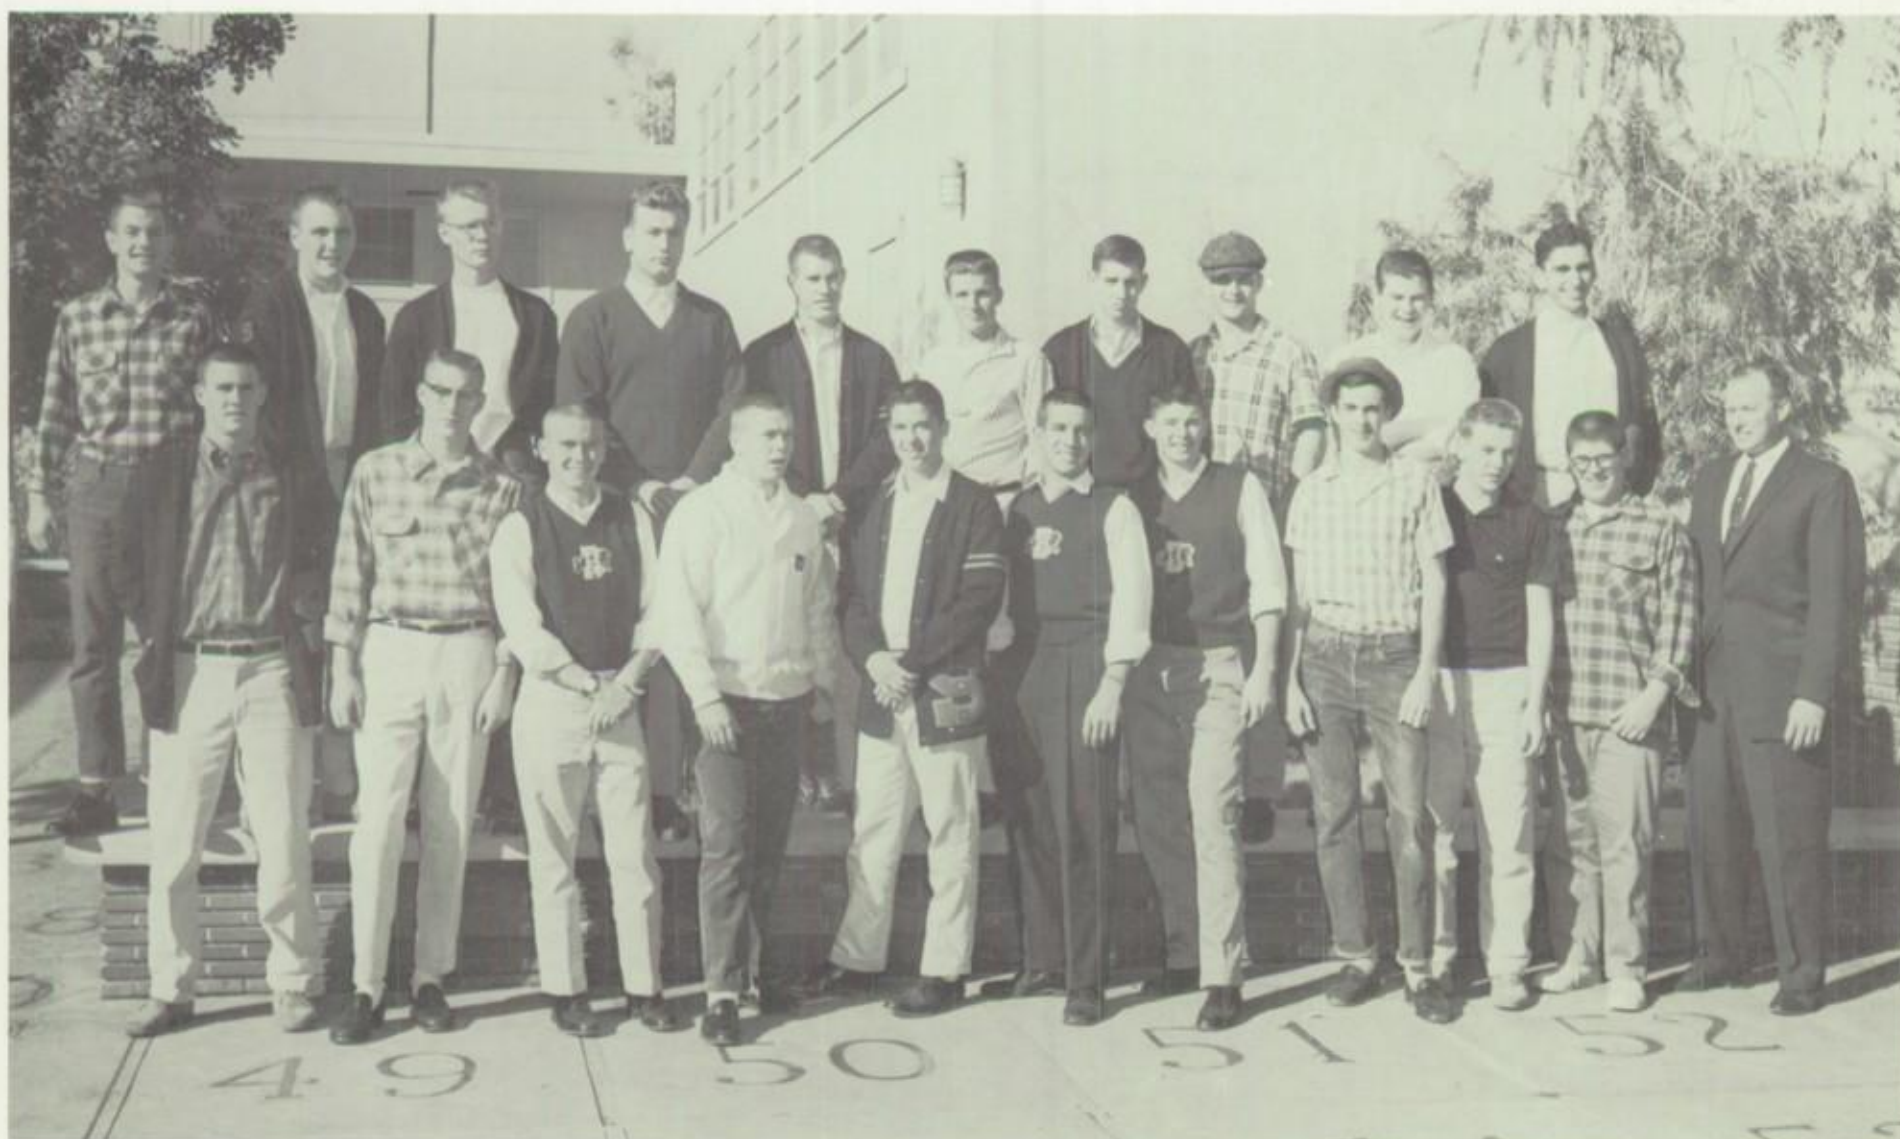

Left: Bengals arrive, via bikes, to prepare decorations for Bengal Blues. Right: Well, Noel? Color Day exciting?

KEY CLUB

Freely we serve . . . is truly an appropriate slogan for the Key Club of South Pasadena, sponsored by the local Kiwanis Club. The club commenced its activities of the year by selling delicious cotton candy, popcorn, and snow-cones at the First Annual Community Carnival. Eight hundred dollars was collected by the Key Club, collected for the South Pasadena Rose Parade float with Fred Golding as top salesman. Every Wednesday morning at 7:00 the members enjoy breakfast and enlightening programs of visiting speakers and films.

Copa photographers received a bird's eye view from the ferris wheel of the Kiwanis sponsored community carnival.

C. S. F.

Seek, and ye shall find . . . a Biblical promise significantly applicable to the eternal search for knowledge. The California Scholarship Federation, a state-wide honor society, offers an incentive to high school students to strive for superior scholarship. Upon earning eleven points — with three points for A's and one point for B's — students may become active members. Penny Martin offered her home for an opening pot-luck in October with Rick Busacca relating his experiences in France. Four Occidental students visited CSF at a January meeting, presenting the opportunities in Project Africa. A swim-potluck in May climaxed the year, bringing the scholars once more to a summer of relaxation . . . and then the return to the books in September.

The Senior Men celebrate joyous Friday at a typical noontime banquet, a familiar, hilarious occurrence during the year of 1960.

CAMPUS COMMITTEE

The campus rating for Monday was an A . . . the ultimate goal for the Campus Committee to report to the student body. These active students, by checking lunch permits and publicizing the benefits of a clean campus, have enabled the students to be genuinely proud of the Tiger Territory. Joan May, Commissioner of Interior; Jeanne Kline and Dave Copeland, vice presidents of the Girls' and Boys' League respectively, were the coordinating chairmen.

CHOIR

Music soothes the savage beast . . . at least that's what they say. Under the direction of Mr. Kirkpatrick, the Choir represented very well the musical spirit of Espee at many of the school and community functions. They provided the music for the Christmas Play, entertained the P.T.A., and sang at several assemblies and graduation. In the spring the Choir, along with the Band, presented a music festival for the student body and the community, singing several songs from their large repertoire, including such favorites as "It's a Grand Night for Singing" and "I Enjoy Being a Girl."

The Christmas season brought the Choir before the student body to sing harmonious arrangements of new and traditional carols.

TRI - HI - Y

Together we stand . . . together the Tri-Hi-Y clubs of South Pasadena still stand, and in doing so, the groups have experienced the joys of working within a cooperative, friendly unit. Bicycle Workshop, a Thanksgiving service project, provided the Juvenile Hall in Los Angeles with repaired toys. A YMCA, located in the war-scarred country of Korea, was aided in the rebuilding program by the proceeds of a peanut sale. 1960 was truly a productive, successful year for the Tri-Hi-Y of South Pasadena.

ACTIVITIES

More fun than a barrel of monkeys . . . fun is the one word to characterize the varied activities of the Tri-Hi-Y program. The individual groups filled the year with potlucks, field trips, and seasonal devotionals. Inter-council events offered new friendships and interests to the participants. A February snow trip gave happy memories of skiing, sledding, and fellowship. The annual luau climaxed the never-to-be-forgotten year of 1959-1960.

Girls . . . the weaker sex? The seventy-five members of GAA, the Girls' Athletic Association, will certainly argue this point. This year San Gabriel and Alhambra sponsored playdays in which our Tiger representatives claimed first and second respectively. Active interest and participation are the lone requirements for membership in GAA, led by Sue Harvey as president and Miss Atherton as adviser.

SPANISH CLUB

¿Como usta usted? . . . a familiar greeting to the Spanish-speaking people the world over. Spanish Club, composed of students having taken three years of Spanish or taking the second year in the senior year, has benefited tremendously from various student exchanges in the year's activities. A beginning banquet at El Poche returned tacos and enchiladas to their rightful places in American society. Jeanne Kline, Fred Golding, and Pat Forster related their adventures of the past summer in Mexico at a Christmas party, although Miss Burr and Miss Tupica stole the show with their interpretation of the cha-cha-cha. The arrival of Juan and Jose brought to the Tiger student body a warm acquaintance with two friendly Mexican teenagers.

Bev Purves and Jon Hartzell, bubbling with enthusiasm, tell the Spanish classes of their Mexican life as Rotary exchange students.

FRENCH CLUB

Ce cercle est le plus . . . a modern interpretation of a modern language. The French Club, sporting over sixty members, has experienced a truly successful year. Previously a nearly non-existent group, the club has been returned to a respectable place in school activities by the guiding influence of Miss Thompson and the officers. A pot-luck supper in December, featuring an informative and intriguing talk by a French family who had recently arrived in the Los Angeles area, was indeed the highlight of the year's programs.

LATIN CLUB

Sed mater mei Latinum studare meum agebat . . . was this your initial reaction to studying the Latin language? Although Latin is said to be a dead language, the Latin Club has offered lively experiences to its sixty members. The two memorable features of the year were the Christmas party and the traditional Latin Banquet complete with togas, slaves, good ole Roman torture, Caesar, and even Caesar salads. Working with their adviser, Miss Kimball, were the officers: president, Vince Alexander; vice-president, Ruthellen Foxcroft; secretary, Donna Gilliss; and treasurer, Ron Eckhardt.

Make democracy work . . . this is the motto of the Junior Statesmen of America, a club whose basic aim is to familiarize young adults with the principles and workings of democratic government. This club's wide scope of programs included legislative sessions in which students prepared and presented bills and resolutions, and a variety of speakers, including an AFL-CIO official and a water district representative.

In November several Junior Statesmen attended the statewide convention at Sacramento, which held proceedings in the State Assembly chambers. A refreshment stand at the San Marino basketball game helped furnish the club with the funds necessary to finance this trip. The Junior Statesmen have truly "made democracy work" during the past year.

FUTURE NURSES

Nurse — nurse . . . indeed the eternal summons of patients the world over. In an attempt to meet this call, the Future Nurses Club has joined together. CIMOTA CLUB

Science moves, but slowly . . . perhaps, to the unobservant eye, but to the members of Cimota Club — atomic spelled backwards — science is advancing rapidly in its importance to the world. President Mike Smith had programed speakers involved in various fields of

ATHLETICS

CIF
VARSITY FOOTBALL
CHAMPIONS

This year the South Pasadena varsity football team christened the new athletic facilities by winning the C.I.F. "AA" Championship, the first time in the history of our school.

The Tigers won their first two games by scores of 7-6 and 45-6 over Hart and Beverly Hills respectively. Defending C.I.F. Champion Claremont was the next foe. This game was the first and last big mistake of the season, a 7-0 loss. Angered by the loss to Claremont, the Tigers steamrolled Bonita, 34-6.

League games started now, and 22 "animals" were playing regularly. Coach Solari's Tigers spelled death, destruction, famine, and pestilence for every one of their coming opponents. Temple City was their first victim. The Tigers drove for a win in the last minute, 21-19. Playing on the new field for the first time, the Tigers made it a great premier by polishing off Artesia, 42-6. Against the Norwalk Lancers, South Pasadena again romped for another win, this time 35-0. The Rio Hondo League title was now on the line. The San Marino Titans came to South Pasadena wanting the Tigers' stripes but left empty handed. The final score, with South Pasadena blasting the Titans and winning the league title, was 40-7.

South Pasadena now advanced to the C.I.F. "AA" playoffs. The Tigers marched past Aviation, 54-20; and then against Hart they punched across 2 fourth period touchdowns to win 12-6.

The Tigers moved into the C.I.F. finals with Mater Dei. Before a crowd of 8,000 people, the Tiger defense made a great second half goal line stand. The offense then exploded for three big fourth period touchdowns to put the game away. The South Pasadena Tigers won the C.I.F. "AA" grid title, 28-14.

The final record of the Tigers was 11-1. All the games were won completely by team unity, desire, and most of all, the great coaching of Mr. Solari and Mr. Bunting.

With guard Dave Ziegler blocking out in front, Don Johnson picks up yardage against Aviation. In the C.I.F. finals Don scored three touchdowns on runs of 1, 22, and 51 yards.

Roger Clark snares a pass against Bell Gardens. The all C.I.F. end caught 23 passes during the season.

Defensive end Al Loosli hits a Beverly Hills Norman as five other Tigers including Dave Copeland (77), Roger Clark (82), Ed Loosli (88), and Nick Winslow (66), close in for a typical South Pasadena gang tackle.

BEE FOOTBALL

The Tiger Bee football team had a very disappointing season. Coach Clark had a predominantly sophomore squad, so inexperience was the major reason for their losing season. Three season captains were chosen. They were Alan Kinser, Fumino Konishi, and Bill Little.

Coach Lyle Clark

VARSITY BASKETBALL

High hopes filled the thoughts of our Tiger basketball team after our C.I.F. football victory. Seven returning lettermen and four Bee lettermen formed the nucleus of the team. Coach Swartzbaugh had a difficult time finding a combination which could put the ball through the hoop consistently from this squad of individualists. The highlights of the season came when the Tigers beat Temple City and Norwalk and then came very close to defeating C.I.F. finalist San Marino in the last game of the season. Against Temple City and Norwalk, Coach Swartzbaugh found the right combination in Wilson, Canfield, E. Loosli, Dickson, and Clark to put a spark in the Tiger machine. In the Temple City game this "five" scored fifty points in the last half. Against the Norwalk Lancers they hit consistently the whole game. In the final San Marino game our hoopsters put out a performance of which the whole school was proud. Leading the team this season were Season Captain Randy Wilson and junior All-League choice and team high-scorer Clark Canfield.

The League championship was brought to South Pasadena by the J.V.'s. In the first year with a regular League schedule Coach Bunting's "fighting Tigers" ran away with the League crown. Although they made a 9-1 record, it was not until the last game of the season that the title was clinched. Two free throws by Pat Forster in an overtime was all South Pasadena needed to defeat the San Marino Titans 35-33 for the championship. Leading the team were League high scorer Forster, Bob Whiteside, Bob Corteway, and Dave Howard.

"Little Lefty" Dave Howard lays in for two crucial points in the all-important San Marino game.

Steve Wood and Pat Snowden go up for a rebound with a San Marino Titan in South Pasadena's exciting 40-34 win.

With a limited number of returning lettermen, the South Pasadena Bees had an unsuccessful season. The highlight of the season came when Coach Clark's aggressive team beat San Marino 40-34 in the closing seconds of the ball game.

VARSITY TRACK

Excelling in the hurdles and middle distance races, the South Pasadena Track Team hopes to topple Temple City from their throne as league champs. Coach Bunting has a fine group of returning lettermen in all events. Leading Coach Bunting's tracksters in the hurdles are school record holders Ed Loosli and Randy Wilson. Mickey Furtado, Don Bentley, Mike Durfee, and Spencer Earnshaw give South Pasadena the highest hopes in the running events.

VARSITY BASEBALL

Performing like champions in recent games, Coach Solari's batmen loom as the favorite in the Rio Hondo League baseball race. The Tigers, playing on the newly completed baseball field, show all signs of carrying home the championship for the second year in a row. The Tigers last year gained the C.I.F. quarter-finals before being defeated by the eventual champs, San Luis Obispo, 3-1.

Eight returning lettermen form the heart of the team. All-C.I.F. pitcher Dave Dickson heads a pitching staff of Dickson, Jeff Howe, and Dan McCue. Catching for this threesome is "hard hitting" Don Johnson. All-Leaguers Paul Carlson, Fred Romero, and Roger Clark make the infield the class of the league. Forming the outfield are Bill Grimm, Mike Paris, and Dave Currey. Coach Solari can only look forward to the 1960 baseball season with optimism after wins over Burroughs, La Salle, Santa Fe, and Mark Keppel.

All-Leaguer Fred Romero rounds first with a single against Bell Gardens.

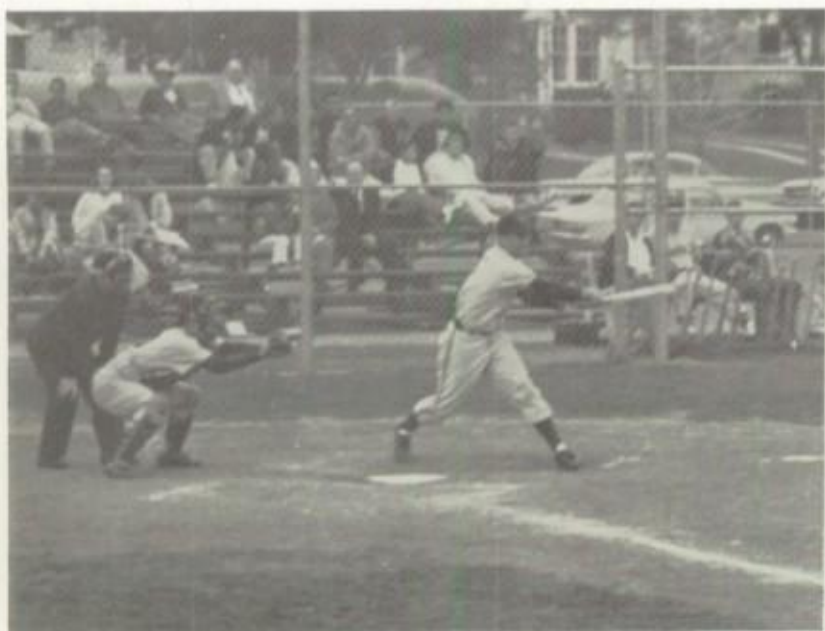

Strong junior catcher Don Johnson crosses the plate with a South Pasadena run.

Paul Carlson hits the dirt against Mark Keppel.

Third sacker Fred Romero takes a wicked cut at the ball.

Junior left-fielder Mike Paris looks toward second base after hitting a line drive single.

With a fine selection of juniors forming the nucleus of the South Pasadena J.V. Baseball Team, Coach Swartzbaugh hopes their experience will carry the team to the J.V. championship. Hard hitting shortstop Pat Forster, infielder Steve Wood, and catcher Bill Reece look like "can't misses" for the varsity.

Shortstop Pat Forster wings the ball to first base.

CROSS COUNTRY

This year's Cross Country team had a hot-and-cold season. The So. Pasadena harriers broke three school records of the opponents and two course records, finishing third in the league competition. The JV's finished second only to Artesia. Coach Knarr in his first season lettered six runners. They included season captain Mike "Colonel" Durfee, Bob Llamas, Spencer Earnshaw, Frank Szerdahelyi, Bob Feder, and Bill Harker.

Left to right, ROW I: F. Skrah, M. Durfee, B. Whiteside, S. Fraser, S. Earnshaw, B. Harker. ROW II: J. Elam, F. Szerdahelyi, D. Bentley, J. Buell, K. Wolford, B. Marrs, Coach Knarr.

The team's hardest worker, Bob Llamas, turns a corner on the last half of the Tiger course.

Star runner Mike Durfee was the high finisher for South Pasadena in the league finals.

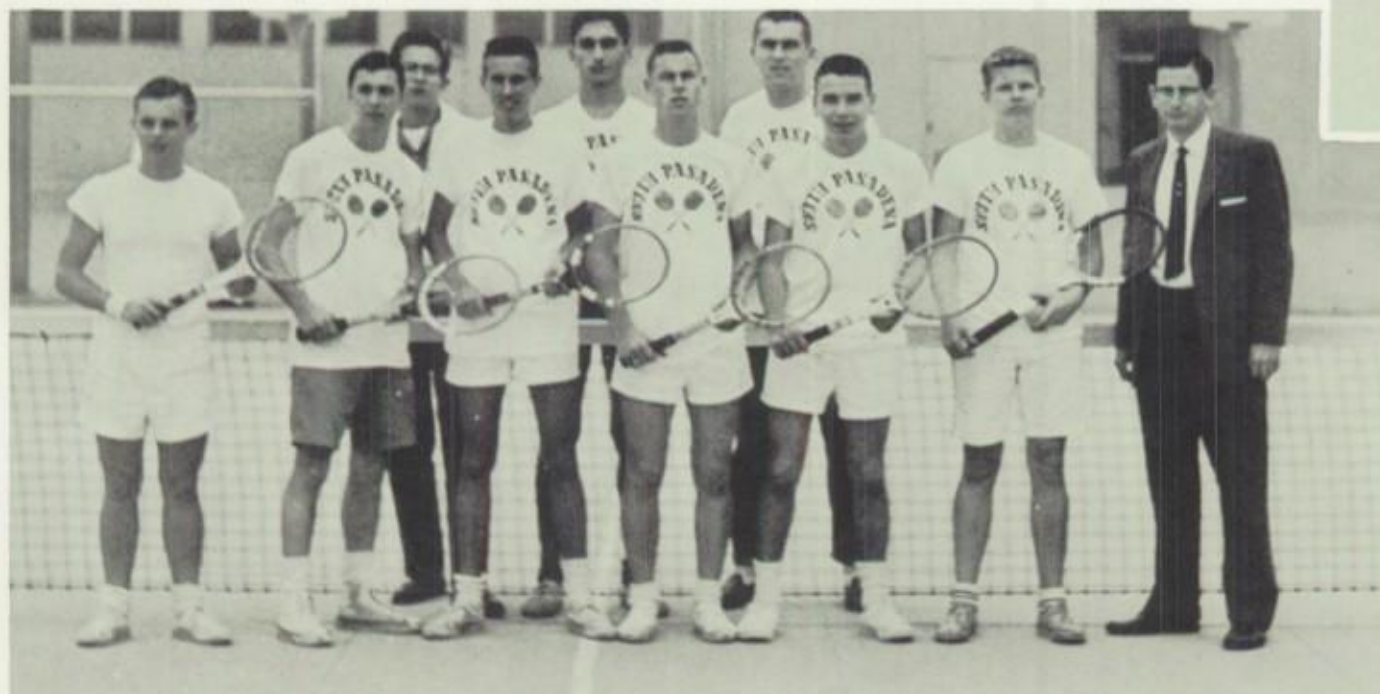

TENNIS

Hoping to destroy the dynasty of the San Marino Titans in the Rio Hondo play, Coach Knarr has had his charges working hard on the sunny spring afternoons. The returning lettermen led by the top three — Larry Kilgore, Bill Stringfellow, and Brent Scott — hope to bring back to South Pasadena the league championship, which we have not had in quite a few years.

Stay out of the way when the girls are shooting archery; you could be their target.

Speed-a-way is a fast-moving game in which passing, throwing and kicking are some of the skills used.

M. Chase confuses everyone with her trick dribble in basketball.

SPORTS

Modern dance has been an interesting and beneficial experience to many girls. The class provides an opportunity for the girls to create movements to music or rhythm.

Exercise is an important part of modern dance.

Individual groups create dances from their own ideas.

An interesting floor pattern is displayed by three sophomores.

COLOR DAY

Color Day is a longtime tradition of Espree High. Each year at the beginning of football season, the student body elects a royal court. The Queen, Sheila Coots, and

Princesses, Janice Lind and Karen Ziegler, reigned over the Color Day ceremonies; our first home, league football game; and the Commissioners' Dance.

Queen candidates, Left to right: Kay Archer, Sheila Coots, Cecil Dawson, Chris Farrow, Linda L. James, Sue Kellogg, Janice Lind, Penny Mason, Robynne McWayne, Carol Washburn, and Karen Ziegler.

Queen Sheila and Princesses Janice and Karen are seen in their convertible at our Homecoming Game against Temple City.

The student body paraded in its once-a-year procession to the corner of Mission and Fair Oaks for a pep rally. Everyone participated enthusiastically.

SOCIAL

All the dances this past year have given wonderful memories to the student body. Each year the dances at Espee High highlight the social events, and the students look forward to all our dances with enthusiasm.

The Ice-Breaker, sponsored by the Girls' and Boys' League, was the first event of the year for the students to get acquainted.

The Commissioners' Dance was an exciting night for the queen, her court, and the student body.

The beautiful decorations at the Bengal Dance helped to make the dance a large success.

PLEASURE

The dances have also meant some hard work for those who planned and decorated for them. Each dance is sponsored by a school organization such as Girls' League or Bengals. The profit from the dances is usually put toward a scholarship or other worthwhile endeavor.

The A.F.S. Dance climaxed A.F.S. Day in a wonderful way.

The Juniors decorate enthusiastically for the Junior-Senior Prom.

Mary Lanham, Bob Byram, Barbie Kennan, and John Wentworth leave for the Junior-Senior Prom.

SCHOOL

Returning to school is always a "peak" to all the eager students.

Life is full of ups and downs but most of all we want to remember the ups — the "peaks." In South Pasadena High School, there are "peaks" to be remembered and cherished when we are gone from our Alma Mater. Here are some of them.

Several times each year the green booth buzzes with business.

Winning the C.I.F. championship was a real "peak" for the student body.

The newly formed Bike Club was a big thrill for the "younger" students.

Final exams are a big, big "peak" for all and keep Espee students very busy.

After finals the Espee students retain their enthusiasm to pursue further worthwhile activities such as sleeping.

PEAKS

The "peaks" at Espee High are both work and play, and yet each kind of peak is obtained by everyone at different times. So when you have left Espee, look back and recall the "peaks" of fun and work you enjoyed at S.P.

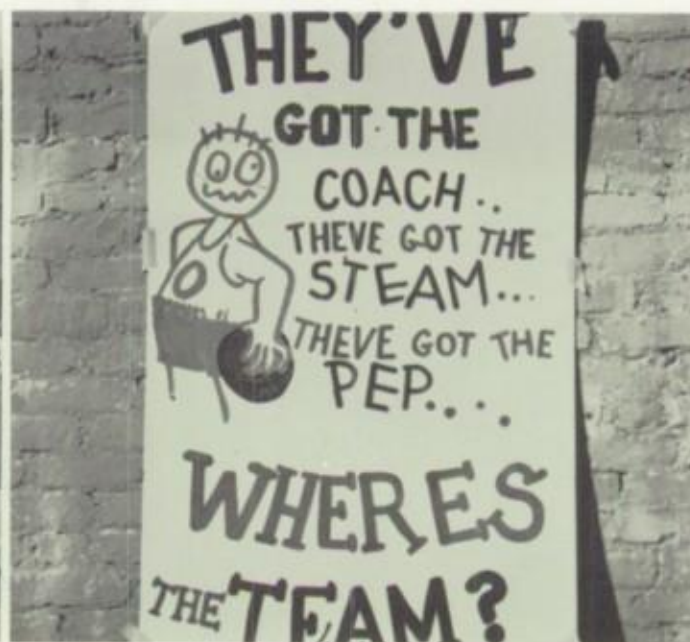

It even snows at Espee High (every ten years or so).

Pep rallies are held in the back patio on the days of the big games.

Gay posters heighten the publicity for all school events.

The spring election is a real "peak" for the Juniors as the student body prepares for the coming year.

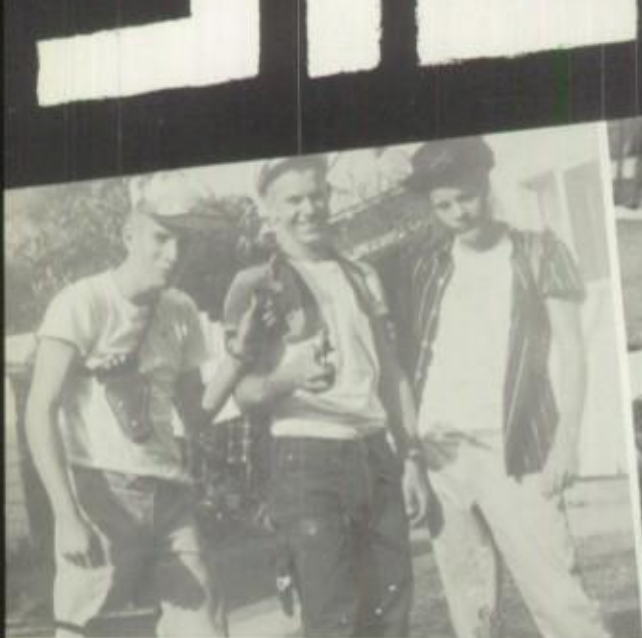

It's easy to remember old friends from Espee High when you look through your **Copa**.

Grad-Night is the final "peak" of the Seniors' year at Espee High.

Everyone is staying until all the copy is in!! What will we have for dinner? Tacos. Sounds familiar to the Copa staff as everyone "tore" their hair to make deadlines. Finally the deadlines were met, and the Copa is in your hands today. This Copa includes not only pictures, hard work, copy, and more hard work but the memories of the great year of 1960, the Seniors' year.

Many people spent hours working together to form the Silhouette of S.P. To them no real thanks can be given. The entire Copa staff deserves the student body's thanks for their outstanding work. Tora Newcomer, John Wentworth — entertainment — and Jon Hartzell, although not on the Copa staff, certainly put forth great effort in producing the annual. Of course, what would we have done without Mr. Brooks and his poodles? Sincerest thanks. To the people at Yearbooks, Incorporated, Monrovia, goes another big thank you for their understanding and handkerchiefs when the staff had problems. Thank you Mr. Phippin for supervising the staff. So ends the Seniors' year, the Silhouette of S.P., and the production of an annual long to be remembered.
